This is a decision on the petition under 37 CFR 1.137(b) to revive the above-entitled application, filed February 05, 2006.

The petition is **GRANTED**.

The above-identified application became abandoned for failure to file a proper reply in a timely manner to the non-final Office action mailed March 05, 2004, which set a shortened statutory period for reply of three (3) months. A response was not filed and no extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, this application became abandoned at midnight on June 05, 2004.

The present petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137(b) in that it includes: (1) the reply in the form of a response to the Office action mailed June 05, 2004; (2) the petition fee; and (3) the required statement of unintentional delay. Accordingly, the reply to the Office action of March 05, 2004 is accepted as having been unintentionally delayed.

The application file is being referred to Technology Center AU 3661.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3296.
